**What The June Woman's Home
Companion Contains.**

The first of the summer numbers of
this remarkable woman's magazine
has reached beyond its own high
standard in interest, variety and prac-
tical material. The cover, a Dutch
girl painted by Ford Harper, is a
pleasure in itself, and the illustrations
throughout are the work of some of our
best artists.

The fiction is from the pens of lead-
ing writers. A new romance by Grace
H. Richmond begins in this June num-
ber. "The House of Healing," by
Juliet Wilbur Tompkins, is still going
merrily along, and such popular writ-
ers as Alice Brown, Annie Hamilton
Donnell, Mary Hastings, Hubert
Footner and Annie Healey Lea are
represented by short stories which for
charm feeling and a delicate sense of
humor are in class by themselves.

June is a month in which so many
important events happen that the com-
prehensive woman's magazine must be
unusually full of interesting articles.
The June number of the Woman's
Home Companion includes "Wedding
Gifts that Are Different," "A Novel
Graduation Program," "When You
Graduate," "A Vacation Trip to Eu-
rope," etc. Kate V. Saint-Maur
contributes another of her practical
articles this month on strawberry cul-
ture and the love song "You're Worth
All the World to Me" by Alfred G.
Robyn is just the right thing to sing
on summer evenings. Unusually care-
fully selected fashions are shown this
month by Grace Margaret Gould with
an eye particularly to the needs of the
girl graduate.

The special departments are filled
with timely and good advice on many
subjects and the younger readers of
the Woman's Home Companion find in
the June number almost a small maga-
zine for themselves. Among the offer-
ings in the children's department is
a letter from Selma Lagerlof, the au-
thor of that new famous fairy story,
"The Adventures of Nils."

Not Built That Way.

An exchange says: "Yesterday we
were asked if we ever saw a bald-
headed woman. We answered 'No,'
we never did, nor did we ever see a
woman waltzing around town in her
shirt sleeves with a cigar in her teeth
and running into every saloon she saw.
We have never seen a woman go fish-
ing with a bottle in her pocket sit on
the damp ground all day and come
home drunk at night. Nor have we
ever saw a woman yank off her coat
and say she could lick any man in
town. God bless her she's not built
that way."

Shall Women Vote?

If they did, millions would vote Dr.
King's New Life Pills the true remedy
for women. For banishing dull, fag-
ged feelings, backache or headache,
constipation, dispelling colds, impart-
ing appetite and tuning up the system
they're unequalled. Easy, safe, sure.

Fresh Air.

What about the fresh air in your
home? Do you sleep with the windows
open at night? A great New York
physician recently said in a public
speech: "We can bankrupt every
drug store in America in a quarter of
a century. We can destroy the drug
stores and make the medical profes-
sion obsolete with a sanitation and
fresh air." Now, we can not make
our community sanitary in a single
night, but in a single night we can
breathe into our lungs a sufficient
quantity of good, pure air to give us
strength and endurance during the day
that follows. It used to be that
people were afraid to let wind blow
in on them, but it is now demonstrat-
ed that the wind is just what we need.
Keep the body warm from head to foot
and turn the hose of clean, invigorat-
ing air into your nostrils and you
will not need calomel or quinine very
often.

Not Sorry for Blunder.

"If my friends hadn't blundered in
thinking I was a doomed victim of
consumption, I might not be alive
now," writes D. T. Sanders, of Har-
radsburg, Ky., "but for years they
saw every attempt to cure a lung
racking cough fail. At last I tried
Dr. King's New Discovery. The ef-
fect was wonderful. It soon stopped
the cough and I am now in better
health than I have had for years.
This wonderful life-saver is an unriv-
aled remedy for coughs, colds, la-
grippe, asthma, croup, hemorrhages,
whooping cough or weak lungs. 50c.

PUBLIC SALE

—OF—
**Fine Bourbon Stock and
Tobacco Farm.**

As heirs of the late Mrs. Sallie E.
Moore we will sell on the premises,
3 1/2 miles from Paris on the Paris &
Cynthiana turnpike, on

Thursday, May 26th, 1910,

at the hour of 2 o'clock p. m., and
without reserve, her farm of 360 acres
of land.

The farm is without question one of
the best improved tracts of land in the
Blue Grass region, and is in a high
state of cultivation.

It has been in the same family for
one hundred years and each generat-
ion has taken great care in pre-
serving the fertility of the land.

It has upon it one of the best two-
story modern brick residence in the
county, containing eleven rooms,
halls, 10 closets, 1 store room, a
double front veranda, with elegant
bay window, between, double back
porches and with cellar under main
portion of the building.

The house contains a slate roof, has
been newly painted and is in splendid
condition, inside and out. There is a
large cistern near the rear door, and
one of the best ice houses in the
State.

There is also on the premises a
meat house; brick cabin in the yard;
stable; tobacco barn for 10 acres of
tobacco and a good tenant house of
five rooms.

The farm is one of the best fenced
tracts of land in the country, is very
productive and is all in grass except
10 acres. It is well watered, Cooper's
Run flowing through one corner of
the place, while a number of never
failing spring and pools make the
farm drouth proof.

The land lays well, being sufficient-
ly rolling to afford natural drainage,
and is of rich productive soil. A field
of 50 acres of corn last year has now
upon it a fine crop of growing wheat,
which is sown to clover, the latter
being up nicely. Sixty acres is to be
planted in corn and can be seeded to
wheat in the fall of 1910. The farm
is surrounded on all sides by citizens
who own their farms, Col. E. F. Clay,
the owner of Runnymede, and his
son, Mr. E. F. Clay, Jr., being on the
South side. Mr. George Wagner on
the west, the land of Miss Elizabeth
Grimes and Mrs. R. C. Talbott on the
north and bounded by Stoner creek
on the east.

The residence and surroundings are
among the most attractive on the
Paris and Cynthiana pike, the former
being located 75 yards from the road
and approached with a beautiful heart
shaped driveway.

The yard comprises several acres of
land well set in blue grass and shaded
with cedars, maple, walnut, and sev-
eral stately oak and ash trees.

The line of the Cynthiana and Paris
Interurban railway, which has been
surveyed and will be built within the
next twelve months, runs directly
in front of the premises and will
afford quick transportation in either
direction.

The farm will be sold in two tracts
the home place (going in the direc-
tion from Paris to Cynthiana) con-
taining 235 acres, and including the
improvements and the rental contract
for the year 1910, will compose tract
No. 1; and the unimproved land, ly-
ing immediately across the pike and
containing 125 acres, will compose
tract No. 2.

Tract No. 2 is one of the richest
bodies of land in central Kentucky.
It is a deep vergin soil, and contains
one hundred acres of fine timber and
is richly set in blue grass. The tim-
ber consists of mammoth red and
white oak, blue and black ash, map-
le and walnut trees and is of such a
variety and abundance as to be suffi-
cient to build a number of tobacco
barns. This tract of land has upon it
an elegant and commanding site for
a residence every acre of the one
hundred twenty-five will produce sev-
eral fine crops of tobacco, after which
it would produce the finest corn and
wheat that could be grown.

Prospective buyers are invited to
visit and inspect unequalled oppor-
tunities as a stock and agricultural
farm.

The farm will first be sold as a
whole, including the rental contract
for the year 1910, and possession given
March 1, 1911.

It will then be sold in separate
tracts, and the highest and best bid
will be accepted.

If sold separately, purchaser of
tract No. 2 can have immediate
possession.

The terms of the sale will be liberal
and made known on day of sale.
